

Northwest Sportsman's Club  
Trac Fabrication Chair Campaign

**In 2016 we had such an successful campaign that the Board of Directors has decided to continue our efforts and continue on with our Trac Chair project. This year marks our fourth year, and our goal is to give at least two more chairs away. This campaign will be benefiting a young man or woman that has lost his or her privilege of using their own body to enjoy the great outdoors that he or she was raised doing with their dad, uncle and/or family.**

Please consider a financial contribution to our project.

Northwest Sportsman's Club is a non- profit organization with a 501 C 3 tax status.
